LYRICS/TEXT

Original

Meaning of text:

“Doepsie Dapsie Doedeldas” is the name of a child. This is a playful name, not a common one one would find in Afrikaans.

Maak al self haar skoentjies vas - she can tie her own shoes

Kan al self haar handjies was - she can wash her own hands

Kan al self haar klere was - she can wash her own clothes

Pak dit self al in die kas - she can put her own clothes away
